Accounting

Everything you need in one place.

Bookkeeping, taxes, and R&D tax credits — all handled by startup accounting experts, in one platform.

Bookkeeping

Clean books. Accurate reporting. Investor-ready financials. Fondo categorizes and reconciles your transactions so you always have reliable numbers.

Corporate Taxes

Never miss another tax deadline. Stay compliant with support for Delaware Franchise Tax, state corporate filings, and federal tax requirements.

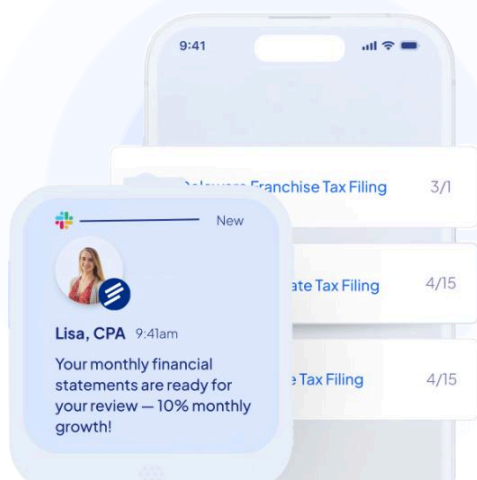

R&D Tax Credits

Get cash back through R&D tax credits. Fondo identifies your eligibility, maximizes your claim, and files everything for you — with startups receiving \$21,000 back per year on average.

Powered by tech delivered by experts.

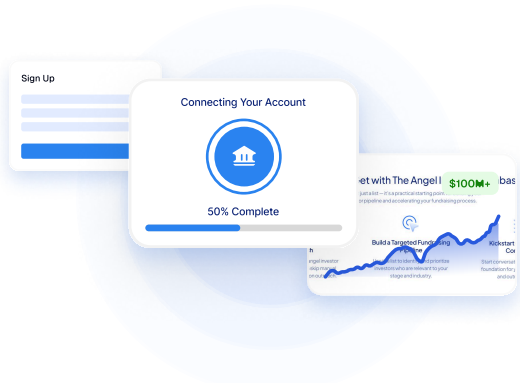

Automation when you want it. Expert guidance when you need it. Fondo's CPA team — including alumni from Deloitte, EY, PwC, and KPMG — helps early-stage founders stay compliant, investor-ready, and focused on growth. It's why Fondo is the #1 accounting platform for YC startups

Your startup's books, taxes & tax credits – completely off your plate.

Get setup in 3 easy steps.

Everything you need to keep your books, taxes, and tax credits handled — without hiring in-house or juggling vendors.

Onboard in minutes

01

Connect your bank, payroll, and accounting tools in minutes. Most founders complete onboarding in under 15 minutes.

Tax Deadlines & Bookkeeping on autopilot

02

We don't remind you about tax deadlines — we handle them. If something needs attention, you'll know exactly what and why.

Back to building

03

With Fondo set up, accounting runs quietly in the background. Your books stay clean, your taxes filed, and you get back your time to focus to build.
